

NOTICE OF PUBLIC HEARING ON PROPOSED RULES OF  
THE MIDDLE PECOS GROUNDWATER CONSERVATION DISTRICT

The Middle Pecos Groundwater Conservation District (District) will receive public input at a hearing on proposed amendments to the District's rules intended (1) to implement changes to statutory law enacted in 2011 by the 82<sup>nd</sup> Texas Legislature, which amendments include but are not limited to addressing procedure and considerations for rulemaking, management plan adoption and amendment, and permit hearings; groundwater ownership; establishing desired future conditions of the aquifers located in the District (DFCs); modeled available groundwater (MAG); permitting considerations implicated by DFCs and MAG; permitting exemptions; and well logs; and (2) to address requirements for filing and serving documents; transferring ownership of water rights and water wells; permit term and conditions; permit application requirements; operation and permitting of well systems; enforcement of rules violations; returned checks; codification of the District's enabling act; and nonsubstantive numbering, citing to legal authorities, and other structural and grammatical improvements.

The hearing will be held at 1 p.m. on December 20, 2011, at 209 North Spring Drive, Fort Stockton, Texas. A copy of the proposed rule amendments will be available 20 days before the hearing at the District's new office at 209 North Spring Drive, Fort Stockton, Texas, and on the District's web site at [www.middlepecosgcd.org](http://www.middlepecosgcd.org).
