

Notice of Production Permit Public Hearing

Notice is hereby given that Fort Stockton Independent School District has made application for a **Production Permit** with the **Middle Pecos Groundwater Conservation District** for **1 (one)** well located near Middle School 2100 West 5th Street Fort Stockton, in Pecos County, Texas.

The purpose of this water well is for **Irrigation Use** and requests **40 acre/year**.

The **Hearing** will be held on **September 7, 2010, immediately following the 1 PM Public Tax Hearing**, on the 2nd floor of the Courthouse at 103 W Callaghan, Ft. Stockton, TX.

If you would like to support, protest, or provide comments on this application, it is recommended you file same with the MPGCD at least two business days before the permit hearing. The information must include a description of how you would be adversely affected by the permit proposed by the application, and a description of your interest that you believe would be affected.

For additional information, you may contact MPGCD at 103 W Callaghan, PO Box 1644, Ft. Stockton, TX 79735, 432-336-0698.

The Applicant may be contacted by mail at 101 East Division Street Fort Stockton, TX 79735.
