

## **Notice of Drilling/Production Permit Public Hearing**

Notice is hereby given that Tony Mandujano has made application for a **Drilling/Production Permit** with the **Middle Pecos Groundwater Conservation District** for **1 (one)** well located approximately 10 miles SW of Cayanosa, in Pecos County, Texas. The purpose of this water well is for **Agricultural Use** and requests **400 acre/year**.

The **Hearing** will be held on **September 7, 2010, immediately following the 1 PM Public Tax Hearing**, on the 2<sup>nd</sup> floor of the Courthouse at 103 W Callaghan, Ft. Stockton, Tx.

If you would like to support, protest, or provide comments on this application, it is recommended you file same with the MPGCD at least two business days before the permit hearing. The information must include a description of how you would be adversely affected by the permit proposed by the application, and a description of your interest that you believe would be affected.

For additional information, you may contact MPGCD at 103 W Callaghan, PO Box 1644, Ft. Stockton, Tx 79735, 432-336-0698. The Applicant may be contacted by mail at Box 63, Cayanosa, Texas, 79730.
